mohansharma3023@gmail.com • [Linkdin](#) • [Medium](#) • [Github](#)

Experienced IT professional specializing in web application development using Next.js, React.js, and Nest.js (Node JS) , Docker, CI/CD Pipelines, Fast API, GEN AI , Kubernetes with strong knowledge of the software development lifecycle. Skilled in building, debugging, and enhancing dynamic web applications, and eager to contribute in a dynamic and challenging environment

Top Skills

My Technical skills are I am proficient in Web Development Technologies & Mobile Development such as Next.js, React JS, React Native, Redux, JavaScript, Node.js, Nest.js ,Strapi, Medusa, HTML/HTML5, CSS/CSS3,Tailwind, Material UI,PostgresQL, GraphQL, ,mongodbPrisma,Rest-API, Docker ,AWS, Python,Fast API.

- Extensive knowledge in developing single - page applications (SPAs) using React, Next.js
- Experience in using React Components, Forms, Events, Keys, Router, Hooks, lazy loading etc.
- Familiar with Redux and Context for Global state management.
- Experienced in working with Nest.JS, Express Js, middleware and postgres.
- Experienced in working with Prisma ORM.
- Involved in writing application-level code to interact with APIs, GraphQL etc
- Good Experience in tracking tools like JIRA.
- Experience in Version Control tools like GIT for Source Code version management.
- Involved in daily SCRUM meetings to keep track of the ongoing project status and issues.
- Good communication skills, ability to work well with cross-functional teams.

Work Experience

Senior Software Developer /Specialist
Tata Elxsi Limited ,Bengaluru

07/2025-Present

Client : Baxter International Inc.

- Contributed to a **web-based administrative and configuration platform** supporting a **next-generation Operating Room Integration system** used in surgical environments.
- Designed and implemented role-based access control (RBAC) and secure configuration workflows for clinical and hospital users.
- Developed scalable frontend modules for system setup, device configuration, user management, and operational monitoring.
- Integrated frontend components with backend services and APIs in a regulated medical software environment.

- Actively participated in code reviews, defect resolution, and validation-support activities for release readiness.
- Collaborated with cross-functional teams including system architects, QA, and regulatory stakeholders.

Senior Software Developer
Xcelore Private Limited , Noida

07/2024-07/2025

Roles and Responsibilities :

- Led full-stack development using MongoDB, Express.js, React.js, and Node.js.
- Designed and implemented project architecture, ensuring scalability and performance.
- Managed and mentored a team of developers, overseeing code quality and conducting reviews.
- Developed and integrated RESTful APIs and third-party services.
- Optimized database schemas and queries for large-scale applications.
- Ensured code quality with CI/CD pipelines and automated testing.
- Collaborated with stakeholders to translate business requirements into technical solutions.

Project : FutureClo : Virtual Try Ons

Summary : The Virtual Trial Mirror is an innovative application designed to enhance the online shopping experience for customers. Utilizing the advanced capabilities of Snapchat's Lens Studio, this project creates a virtual mirror that allows users to try on clothes virtually. By integrating this technology into online retail platforms, customers can see how different outfits look on them without physically trying them on.

Technology Stack : React JS, Tailwind CSS, REST API, NestJS, Mongoddb, AWS S3, SES, Secret Manager, Cookie Based Authentication and Authorization With PassportJs, Passport-jwt

Senior Software Developer
Ramaera Legal InfoTech , Noida

11/2022-07/2024

Project : KYC Platform With Document Verification and Mobile App For Same.

Summary : Developed a Comprehensive KYC Portal with user-friendly interface for both web and Mobile App.

Technology Stack : Nest Js, GraphQL , Prisma , Postgresql, Next js , Nginx Server

- Build Secure modules for Document upload (Aadhar card, Voter Id Etc.) and Transaction verification against bank statements.
- Designed and Implemented robust GraphQL API Integrations for Seamless Data exchange between user and Admin Portals.
- Optimized backend logic for efficient document review and approval workflows.

Roles and Responsibilities:

- Expertise in Next.js, React.JS, Nest.js, React Hooks, JavaScript,Tailwind.
- Implemented Various screens for the Frontend using React.js and used various predefined components from NPM (Node Package Manager) and redux library.
- Have been working as a developer and have handled the front-end team in guiding them and gathering the requirements required for developing the application.
- Have been working as a Backend Developer and have handled the Full Backend and Created GraphQL Mutations and Queries.
- Involved in SDLC methodologies and full software development life cycle of Designing, coding,debugging and support.

Project: Web app and Mobile App for Interactive Scratch and Reveal Cashback System for Spice Brand

Technology Stack : Nest Js, Graphql , Prisma , Postgresql, Next js , Nginx Server,React native

- Designed and Implemented the Backend architecture and API integration for Web App and mobile App.
- Built secure modules for code validation, reward processing, and cashback crediting.
- Optimized app performance for seamless user experience on diverse device

Software Developer

Tech I.S. , Bengaluru

08/2020-11/2022

At Tech I.S., I played a key role in guiding U.S. students towards successful careers in tech through immersive coding bootcamps. My responsibilities encompassed both curriculum development and personalized mentorship, ensuring a comprehensive and supportive learning experience.

Data Analyst

Indica Industries

10/2017-08/2020

- Working on Raw Data Collection , Processing and Analyzing the data and extracting useful Insights.
- Working and Monitoring the KPI Data.

Education

Bachelor of Technology , Graduation Year (2017),GNIOT, Greater Noida
Intermediate , 2012 , API College , Dadri , G.B. Nagar
